The CCAI – PCI 2022 Annual Meeting is returning to one of our members’ all-time favorite locations – the Westin Riverfront in Avon, CO (formerly called Beaver Creek). The beauty of Colorado’s Rocky Mountains is the perfect setting for this year’s Annual Meeting.

We have another outstanding and timely program planned for our members with important presentations along with some great social activities, including whitewater rafting which was a huge hit last time we visited!

Please read through the details of the meeting, make your hotel reservation now and register today! Colorado is extremely busy in the summer and as vacation travel picks up, we expect our room block at the Westin to sell out. Start planning now for a great 2022 Annual Meeting!

We hope to see you in Colorado this summer!

Anne Goyer
CCAI Executive Director

Kevin Coursin
PCI Executive Director
**SUNDAY, JUNE 19**

2:00 – 5:30 PM  
White Water Rafting on the Lower Eagle River

9:30 PM  
Annual Meeting Concludes
2022 – The Year of Living Dangerously
Chris Kuehl, Armada Corporate Intelligence

With apologies to Mel Gibson and Sigourney Weaver, THIS year has really earned that title. It has been hard to determine what to worry most about - pandemic, war, rampant inflation, collapsed supply chain, labor shortage? And of course, all of these tie together to form one big ball of chaos and uncertainty. What might the second half of this year look like? Let’s explore these suppositions together!

Decarbonization in the Finishing Industry
Perry Stephens, EPRI

The Electric Power Research Institute (EPRI), through its Electrification Program and Low Carbon Resources Initiative (LCRI), has undertaken focused research on commercial and emerging electric technologies, emerging alternate energy carrier (AEC) fuels and carbon capture pathways aimed at the achievement of economy-wide end use decarbonization goals. In this presentation, Perry Stephens, EPRI Principal Technical Leader, will discuss the current state of industrial decarbonization technologies and the roadmap to achieve deep decarbonization by 2050, highlighting specific initiatives and measures that can be evaluated and adopted throughout the finishing industry.

Breakfast Roundtable Discussions

Roundtables are often one of the most popular events we hold at a variety of conferences and we think they will be beneficial in our Annual Meeting setting as well. We’ll take a breakfast session and include roundtable discussions on topics that are important to the finishing industry and our members’ businesses today. These lively discussions always reveal great ideas and shared knowledge that you might not otherwise been aware of.
Embracing Market and Technology Trends in Industrial Finishing
Dave Heflin, Axalta Coating Systems

Our finishing industry continues to grow exponentially. This is due to the continued drive to protect and beautify surfaces while offering flexibility in design and materials of construction in the end application. We serve a multitude of markets, including automotive, furniture, construction equipment, building products, industrial equipment and power supply, oil and gas and energy solutions, electronics, and many more! In all markets, customers are demanding better surface protection, more customizable color solutions, improved durability, and increased appearance. In addition, demands for sustainable finishing practices in the coating and application, and the demand to do that on new and evolving substrates is both an opportunity and a challenge!

By understanding and embracing these trends as opportunities, we can advance our industry in terms of performance, quality, costs, safety, and environmental impact and drive the finishing industry to even greater growth. Markets continue to expand and evolve, and the demands of the finishing industry must evolve with them. Those of us that understand, embrace, and advance with it will be the leaders of the future.

Get a Grip on Your Business
Melanie Towey, EOS Implementer

Are you in control of your business or is it in control of you? If you are like most business owners and managers, you are wrestling with 136 issues at the same time. It can be overwhelming, leading many of you to feel stuck, frustrated, and wondering how to change the cycle. During this presentation, you will learn how to get control of your business in order to increase sales, profits, gain more personal freedom, and build better teams and cultures so you finally get what you want from your entrepreneurial company. A set of simple concepts and practical tools to help clarify, simplify and achieve the vision of a company to grow will be included.
Registration Information

If you are registering for only ONE of the meetings, visit the link for the appropriate organization below and follow the steps for online registration. If you are registering for BOTH meetings, follow either link and then click on the link to download the dual registration form.

If you are registering for both, DO NOT complete the online registration for either organization. Dual registrations must be completed on the separate form.

*Attendees who are members of EITHER organization qualify for the member rate for the entire meeting.

If you are applying a complimentary or discounted Annual Meeting registration that is included with your membership level, enter your promo code on the registration form to take advantage of this discount. Contact Leslie Muck at leslie@goyermgt.com if you need assistance.

Meeting Attire

Attire for the CCAI and PCI Annual Meetings is casual – golf shirts, khakis, sundresses. The only exception is the Wednesday evening CCAI Awards and PCI Hall of Fame Dinner, which will be resort casual. The average high temperature over the meeting dates is in the low- to mid-70s during the day and cooler in the evenings. We recommend bringing a jacket, sweater or sweatshirt for the evening events which are being held outdoors.

Hotel & Travel Information

The Westin Riverfront Resort & Spa
126 Riverfront Lane
Avon, CO 81620
970-790-2019

Room Rates: $185 per night plus tax and $25 resort fee/night

**CLICK HERE** for information on hotel reservations!

Hotel Deposit & Cancellation

A credit card is required to guarantee your reservation. A one night’s room and tax deposit is due 7 days prior to arrival and is non-refundable. Cancellations within 7 days will be charged one night’s room and tax.

Airport

DENVER INTERNATIONAL AIRPORT

Getting to the Westin from the Denver Airport

Typically, people would rent a car for this type of meeting but with the high cost of rental cars and gas at the moment, we found a shuttle company that offers transportation to and from the Westin with multiple departures throughout the day.

Shuttle Service from Denver International

EPIC MOUNTAIN EXPRESS

- Online booking: 3-hour journey (shuttle can make multiple stops before getting to the hotel or returning to the airport)
- $80 for one way / $160 round trip + tip when using the link below to book
- Includes 2 baggage items + 1 small personal item
- No cancellation fee up to 24hrs in advance
- Check the shuttle website for times to and from the hotel

**CLICK HERE** to make your shuttle reservation at our discounted rate.

Car Rental – Resort Parking

While you do not need to rent a car for the meeting, you can rent from any of the major rental companies at any airport you fly into. We suggest making car rental reservations NOW if you plan to rent a car as prices continue to rise and summer is busy in the Rocky Mountains. Overnight valet parking at the resort is $15.

Beaver Creek and Vail

One of the most popular destinations in the country, Beaver Creek and Vail are hard to beat when it comes to spectacular scenery and outdoor activities. Beaver Creek and Vail are just ten miles apart making it easy to explore both areas and enjoy a variety of restaurants and shops.
In addition to great educational programming at the 2022 CCAI – PCI Annual Meeting, we have a wide array of wonderful optional activities when meetings are not in session. Here’s a sneak peek:

**Optional Activities**

**Whitewater Rafting on the Lower Eagle River**  
**Sunday, June 19 | 2:00 – 5:30 PM | $130 per person**  
*optional activity for all registrants 8 years and older or at least 60 pounds*

This moderately intensive trip on a class III river promises to be a beautiful, family-friendly, and scenic trip down the Lower Eagle River that runs close to Vail and our hotel. Guests on the trip must be 8 years or older or at least 60 pounds. Pick up and drop off is at our hotel and is included with the price along with all safety gear needed to participate. All Annual Meeting guests from both associations are welcome to join this activity. Attendance is limited so please register early.

**Golf Tournament at Eagle Vail Golf Club**  
**Tuesday, June 21 | 11:45 AM – 5:00 PM**  
**$175 per person; $60 club rental**

With a backdrop of the stunning Rocky Mountains, Eagle Vail Golf Club will host this year’s Golf Tournament. Situated at the base of Beaver Creek Mountain just a short distance from the Westin, you’ll enjoy a variety of elevation changes and beautiful scenery throughout the round.

Greens fee, cart, driving range, boxed lunch and tax are included. Club rentals are extra and will be paid when you arrive at the golf course but be sure to reserve your clubs during the Annual Meeting registration process. Registrations are limited and we’ll enjoy a shotgun start so register now.

**Lunch & Painting Scene with Marlene**  
**Tuesday, June 21 | Noon – 4:00 PM | $75 per person**

Everyone had so much fun last year painting with Marlene that she has agreed to return! We couldn’t think of a better place for the very talented Marlene Fudge to teach us how to paint. With beautiful surroundings, Marlene has created a majestic Colorado scene for us to paint on canvas. Each participant can take their painting home to remember the beautiful Colorado surroundings. A Certified Decorative Artist & Designer and longtime annual meeting attendee, Marlene promises to bring out the hidden talents we didn’t know we had! All supplies will be included in this wonderful activity along with lunch and one glass of wine, beer or soft drink during the painting class.

**2022 CCAI – PCI Annual Olympics**  
**Wednesday, June 22 | 6:30 – 10:00 PM | $75 per person**

It’s the event everyone waits for all year long! Set on the lawn alongside the Eagle River, the return of our Olympic games will determine who gets bragging rights as the 2022 Gold Medal winning team. Our games are easy for everyone to participate. You’ll make new friends and share plenty of laughter followed by dinner and entertainment.
