

CHEMICAL COATERS ASSOCIATION INTERNATIONAL

Scholarships

Congratulations to our 2018 Scholarship Recipients!

CCAI's Matt Heuertz Scholarship Program recently awarded \$15,000 in national scholarships to deserving and talented students, while our chapter scholarship programs awarded nearly an additional \$25,000. "CCAI is committed to engaging and supporting students whose studies could lead to a career in the finishing industry through our National and Chapter scholarship programs," notes CCAI Executive Director, Anne Goyer. "Each year when I have the opportunity to meet many of our student scholarship winners, I'm continually impressed by their dedication and work ethic. Our industry has a bright future ahead of it."

Matt Heuertz National Scholarship Recipients

Genna Andreae
University of Wisconsin - Platteville
Mechanical Engineering

Connor Celano
Marquette University
Mechanical Engineering

Alec Jobbins
UC Berkeley
Mech. Eng./Elec.Eng./Computer Science

Aaron Kinney
University of Wisconsin- Platteville
Industrial Engineering

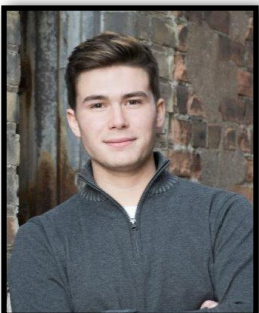

Deepak Panchal
University of Windsor
Automotive Eng./Vehicle Coatings

Austen Pawlaczyk
University of Toledo
Chemical Engineering

Stephen Quaglieri
University of Wisconsin - Stout
Engineering Technology/Mechanical Design

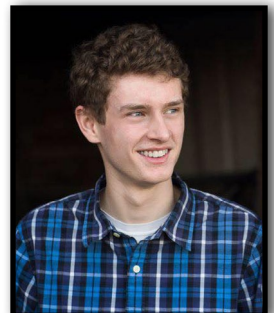

Casey Roeser
University of Wisconsin - Madison
Chemical Engineering

Robert Striggo
University of Michigan
Mechanical Engineering

Kalika Thompson
Lewis University
Chemistry

Austin Wheaton
University of Wisconsin- Stout
Engineering Technologies
