

# San Diego CPTA InTouch!

DECEMBER EDITION

## San Diego District Updates

*A message from the Chairperson..*

Well, we made it to the end of the year! Thank you to everyone who has reached out, attended events, or engaged with the San Diego District through our social media pages! It has been a privilege to serve as your 2024 SD District Chairperson and I could not have done anything without the support of our executive and outreach, nominating, PT PAC and education committees! I have so enjoyed being part of a team of such a wonderful, enthusiastic and generous group of individuals. Kelly Presher has been elected as the new District Chairperson, and I know she will be in good hands! I can't wait to see how the district continues to grow under her leadership.

Thank you, thank you thank you!

*Happy Holidays  
and Happy New Years*

# Meet Your SD District Leadership

By Dana Truong, SPT Q&A with Jacqueline Moore, PT, MPT, ATC, DSc, PhD

## Where are you from?

I'm originally from Georgia, but I consider Texas my home state. I grew up in a military family, so we moved around often.

## Where did you go to school?

I completed the Army-Baylor PT Program to obtain my PT degree. Then, when I became a core faculty member at the University of St Augustine Health Sciences, I decided to pursue my PhD in Education.

## What prompted you to pursue physical therapy as a career?

As a student athletic trainer, I had the opportunity to work with physical therapists. During this time, I was already on a med school track, so I decided to pursue physical therapy as a career because I found rehab more fun.

## What branch of physical therapy do you work in?

I currently work in an ortho primarily and specialize with prosthesis and amputation.

## How long have you been involved with the San Diego District?

I have been involved since 2019.

## What sparked your interest in being involved with the San Diego District?

I wanted to get to know more therapists in the San Diego area and be more involved with the profession. I also wanted to learn more about California laws.

## What do you hope to accomplish in your leadership role this term?

As chair of my committee, I wanted to take this opportunity to learn more about the election process. I'm happy to say I was able to accomplish this goal!
