What is next?

You have already invested in the future of our profession by sponsoring this student. Why not take it a step further and offer them a mentorship?

Students are always looking for opportunities to further their learning through internships, mentorships, and general guidance throughout their early professional years. You've already lit the spark by sponsoring them, ignite the fire by offering to be their mentor!

We all know that students are on a budget, why not make an investment in their future and save them a few bucks by offering them a scholarship to Conclave? Friends, family, employers and PT/PTA professionals can all sponsor a student this year. Want to help but not sure who needs a scholarship? Designate a general scholarship or a scholarship for a current student from your Alma Mater on this form. Each scholarship costs just \$60 and allows a student that may not have the means to attend Conclave, cover the cost of registration! All of our sponsors will be recognized on the CPTA website, in PT Interventions and PT Notes. Thank you!
