

Maegan Supple

Owner The Pottery Stop &
Coffee Shop
Ellicott City, MD

Maegan is thrilled to be a member of your CCSA board! She is super excited and ready to work hard to help you and the CCSA grow and develop. She believes in cultivating an environment of positive energy and that we are all in the business of creating happy. If you have any questions, concerns, or hilarious puns, feel free to reach out to her by email or Facebook message! Like all Good Millennials she turns into a vapor of smoke if her phone is more than two feet away.

Maegan has spent pretty much her entire adult life working in a PYOP studio. She took a part-time job while studying Costume Design and Chemistry, and then life changed when that sweet sweet pottery good-ness hit her blood. Since then she's been a Real Boss for about six years. Outside of the pottery world she enjoys coffee, writing in the third person, red wine, dinosaurs, buying more books than she can read, and petting everyone's dogs.
