

CCSA Invites Summer Party Planners to Create an Amazing Event by Heading to a PYOP Studio

Among other advantages, party planners can customize the agenda with various creative activities, such as pottery painting, clay hand building, jewelry making, glass fusing, candle making, board art, canvas, and more. PYOP studio owners are also available to brainstorm ideas and offer helpful suggestions.

BOYNTON BEACH, FL ([PRWEB](#)) June 05, 2018 -- After one of the most frigid winters on record, for most people the long-awaited arrival of summer signals a time to unwind and relax. However, that's not what the near future holds for many parents, friends, and colleagues who are tasked with organizing a bash, celebration or special event. This summer, the [Contemporary Ceramic Studios Association](#) (CCSA) is inviting party planners to avoid the stress and create an amazing event by heading to a PYOP studio.

According to the CCSA, the key reasons that PYOP studios are ideal for summer birthdays, anniversaries, bridal and baby showers, work outings, and all other celebrations include:

- Party planners can customize the agenda with various creative activities, such as pottery painting, clay hand building, jewelry making, glass fusing, candle making, board art, canvas, and more. PYOP studio owners are also available to brainstorm ideas and offer helpful suggestions.
- All materials are supplied (e.g. brushes, paints, stencils, etc.), and the creativity session is led by experienced facilitators who ensure that everyone is included and has a great time.
- Guests create a unique keepsake that they will treasure for years to come (pottery will need to be left behind to be fired in a kiln, while all other projects can be taken home the same day).
- PYOP studios are family-friendly environments that are safe and suitable for guests of all ages: from small children to senior citizens.
- PYOP studios are comfortable and climate-controlled. Unlike an outdoor event such as a picnic or trip to an amusement park, there is no risk a rainout or sunburn, and guests don't have to battle against mosquitos, bees, ants, smog, pollution or allergens.

“We know how important it is for party planners to ensure that everyone has a great time, especially the guest or guests of honor,” commented Dena Pearlman, CCSA's executive director. “PYOP studios take the stress and anxiety out of planning and producing a fabulous and fun party for any occasion!”
