June 17, 2019

Dear Centered Riding Members,

It is with deep regret that the Centered Riding Board of Trustees and the 2019 Symposium Committee accepts the general memberships' lack of interest in the 2019 Symposium. We fell quite short of our needed target of 150 registrants by June 15th, the last day of the extended Early Bird Discount registration period. You have voted with your lack of registration to cancel this event.

The Symposium Committee worked incredibly hard over 3 ½ years planning and organizing the proposed 2019 event. Acknowledgement and deep appreciation go to the following dedicated Centered Riding members for all the time, thought and effort they put into this project: Ljudmila Schmid (Chair), Gabriele Vocke, Ann-Kathrin Maraun, Sue Leffler, Alexandra Schmucker, Mona Berst, Angelika Engberg and the many other part-time committee members.

The Centered Riding Board of Trustees needs your feedback to determine what type of events should be considered in the future. What would bring you to a symposium? Should the focus be on smaller, more regional events? Particular presentations? Please share your comments and suggestions with the Centered Riding Office at office@centeredriding.org

Our apologies to all those who did register for the 2019 Symposium and were excited about attending. We will miss having the opportunity to network, learn together and just to have a great time! Anyone who has registered will get their registration fee reimbursed.

With regards,

The Centered Riding Board of Trustees

The 2019 Symposium Committee
