# Faculty Disclosure

---

The presenters of this session have NOT had any relevant financial relationships during the past 12 months.

# Conference Resources

---

Slides and handouts shared in advance by our Conference Presenters are available on the CFHA website at [http://www.cfha.net/?page=Resources\\_2018](http://www.cfha.net/?page=Resources_2018)

Slides and handouts are also available on the mobile app.

# Learning Objectives

---

At the conclusion of this session, the participant will be able to:

- Define integrative medicine;
- Discuss interdisciplinary care coordination and case conferencing as a formal therapy mechanism;
- Recognize considerations for co-located settings, serving patients with clinical problems across physical and mental diagnoses; and,
- Reference one example of a case that involved the utilization of these principles.
