

Support

for chronic pain
management

Sometimes, it takes a village. Introducing group medical visits, facilitated by Dr. Jerome and our behavioral health consultant, Dr. Maxwell Moholy.

- Longer appointment gives you more time with your healthcare team
- Understand chronic pain better
- Set goals, improve your quality of life
- Bond with people who have the same condition
- Billed like an office visit
- Meets visit requirement for pain medication agreements

Next meetings:

1 p.m. Oct. 23, Nov. 20, Dec. 18
