

Cherokee Health Systems

Clinical and Health Psychology Postdoctoral Fellowship Cherokee Health Systems invites interested and qualified applicants to apply for its APPIC-member Clinical and Health Psychology Postdoctoral Fellowship training program. The fellowship program offers opportunities in training in a variety of integrated settings, including 1) Primary Care, 2) School Based Health, and 3) Developmental Psychology/Autism Care in urban and rural settings in and around Knoxville, TN, Chattanooga, TN, and Memphis, TN. For more information about Cherokee Health Systems and the postdoctoral fellowship program, please visit our website: www.cherokeehealth.com. Also, if you are attending CFHA next week, please find one of the CHS team to learn more!

Completion of an APA accredited internship and completion of an APA accredited PhD or PsyD Clinical/Counseling Psychology program is required. Interested applicants should send a letter of interest and curriculum vitae to Sandra Greear at sandra.greear@cherokeehealth.com. Three letters of recommendation should be sent directly from the reference and may be sent electronically or mailed to Sandra Greear, Cherokee Health Systems, 2018 Western Avenue, Knoxville, TN 37921.
