

RESEARCH AND EVALUATION TRAINING TRACK

So How Much Does Integrated Care Cost? Leveraging SBIRT as a Model for Cost Analysis

Jesse Hinde

A1 Friday Oct. 19 10:00-11:00

We'll teach you: about the cost-drivers for SBIRT programs and the basics of economic evaluation

Dynamic Evolution of Integrated Behavioral Health: Developing Data Management Systems for Continuous Quality Improvement

William Sieber, Gene Kallenberg, Laura Sudano, Lisa Black, Katrin Seifert

B1 Friday Oct. 19 11:15-12:15

We'll teach you: to identify the content and process by which you can conduct your own program evaluation while thinking about how your data can contribute to a national effort in practice-based research

A new REALity - Using Realist Evaluation in Interprofessional Settings

India King, Sarah Naidoo

C1 Friday Oct. 19 1:45-2:45

We'll teach you: to embrace the complexity of interprofessional settings while developing a robust realist evaluation plan

Use of Practice Integration Profile to Inform Quality Improvement Processes

C.R. Macchi, Connie van Eeghen

D1 Friday Oct. 19 3:00-4:00

We'll teach you: to consider ways to perform quality improvement (Q) processes using the Practice Integration Profile (PIP), a validated measure of integration, and Lean Management methods

Be a Champion! Practical Strategies to Improve Your Practice Using Implementation Science

Matthew Tolliver, Jodi Polaha, Gayatri Jaishankar, Freda Campbell, Lexie Seltzer

E1 Friday Oct. 19 4:15-5:15

We'll teach you: to improve your practice using champion teams and implementation science

Practical PDSAs: How to Use a Quality Framework to Improve Your Integrated Care Initiative

Nadiya Sunderji, Priya Vasa, Ann Stewart

F1 Saturday Oct. 20 10:00-11:00

We'll teach you: to use quality improvement principles and methods to improve your integrated care program

How to Use Electronic Medical Record Data to Formulate and Answer Real-World Questions in Integrated Behavioral Health Care

Robyn Shepardson, Suzanne Bailey, Tawnya Meadows, Rola Aamar, Jennifer Funderburk

G1 Saturday Oct. 20 11:15-12:15

We'll teach you: how to make sense of electronic medical record data so you can use it to answer your research questions

Incorporating Evaluation and Program Improvement Strategies to Increase Quality of Integrated Care Implementation

Sharon Rachel

H1 Saturday Oct. 20 1:45-2:45

We'll teach you: how to identify and use tools that can be used to assess readiness for integrated care

Tracking and Serving the Vulnerable: IBH Results From the Texas-Mexico Border

Deepu George, Curtis Galke, Natalie Burkhalter, Stacy Ogbeide, Michelle Brodesky, Santiago Garcia

I1 Saturday Oct. 20 3:00-4:00

We'll teach you: to identify challenges, strategies, and considerations that were critical for success of QEDs and RCTs with vulnerable populations in South Texas

Disseminating Your Ideas: A Conversation With the Editors of Families, Systems, and Health

Nadiya Sunderji, Jodi Polaha, Colleen Fogarty, Larry Mauksch

J1 Saturday Oct. 20 4:15-5:15

We'll teach you: how to disseminate your ideas and projects through publication in peer-reviewed journals
