

# Qi Zhang

Dr. Qi Zhang is an Assistant Professor in the Department of Chemistry at Fudan University. Qi was born in Mianyang, China. He obtained his BSc in chemistry at Fudan in 2003 and his PhD in 2010 at Shanghai Institute of Organic Chemistry (SIOC). After three and a half years of postdoctoral work at University of Illinois at Urbana-Champaign, he took up his current position at Fudan University in 2014. His research interests include natural product discovery and biosynthesis, mechanistic enzymology, and enzyme engineering.
