Founded in 2011, Diversity in Boardrooms consults with Corporate Boards and Advisory Boards. Leading the firm, Ms. Burrell contributes over 20 years of executive search expertise with a special focus in recruiting and referring diverse Director Candidates who enhance a company's growth, profitability, and social responsibility reputation. She is a Founder and Board Director of the Private Directors Association, which promotes private company board formation, supports excellent practices in board governance, and provides a network to connect individuals with private companies. In addition, she is a Board Leader for 2020 Women on Boards and a Member of 30% Coalition, both national organizations that advocate increasing the number of women corporate board directors.

Currently, she is an Advisory Board Member for Skytop Strategies, which delivers high-content programs worldwide on topics such as Gender Equality in Boards; ESG; CSR; and Impact Investing. Ms. Burrell's academic achievements include a Master's degree from Boston University and a Bachelor's degree from DePauw University.
