## Are you attending a 2011 Rowe Regional Conference?

We've already had one successful Rowe Regional Conference this year at Wake Forest University. Our programming for this year's Rowe Regional Conferences focuses on motivation. We discuss a number of ways to increase participation and attendance at various Alpha events and activities and give participants the opportunity to work together to develop their own motivational strategies. This year's upcoming Rowe Regional Conferences are scheduled as follows:

- [Northeast](#): Lehigh University, March 19
- [West Coast](#): University of Oregon, April 2
- [Midwest](#): Miami University, April 9

If you are interested in attending one of these Regional Conferences, register now at <http://www.chipsi.org/>.
