## CHI PSIS EVER

Fair Chi Psi, can we e'er leave thee, leave thy shel'tring walls,  
Leave the home of our affection, leave thy mystic halls.

### *Chorus*

Chi Psis ever, e'en till death, all Alpha's sons shall be;  
We have pledged our full devotion to Fraternity.

But our bonds cannot be broken, we are true Chi Psis,  
Naught but death our love shall sever, and our sacred ties.

### *Chorus*

All through life our love shall strengthen, for our loved Chi Psi,  
Our allegiance shall not weaken, it can never die.

### *Chorus*

## *A personal note from Doug's parents, Joan and Gene Buglewicz*

From the first days of our association with Chi Psi Fraternity, when Doug became a pledge in the fall of 1992 and we assisted him and the other Officers with forming a Parents Club, albeit as parents, we have had the pleasure to meet and become friends with his Fraternity Brothers. These are friendships which last to this day. They're our "children" just as Doug was.

Chi Psi Fraternity is one of those organizations that sees beyond the here and now, with programs and policies that build men from boys, teach responsibility, and offer the opportunity for leadership and true fraternity.

We have been impressed by the expressions of thanks from his Chi Psi Brothers for his insistence on the importance of being a gentleman, and on being kind and generous to all, including strangers. Many letters of condolence have emphasized the wise counsel and mentoring provided by Doug, and the impact it has had on not just individuals, but other Alpha's and their leadership.

As Mitch Eyerman, PΔ '16, wrote, "Find some solace in knowing that many places you'll never see, and many people you'll never meet were changed for the better because of Doug. I'm very honored to say I'm one of them."

We have been blessed by being asked to continue our association with Chi Psi Fraternity over the years, attending parties, Chi Psi Conventions, and belonging to the BGA Grove Association. Our younger son, Andy, also pledged Chi Psi, and met and proposed to Malinda, his bride of 17 years at a Chi Psi Christmas Party held at the Grill on the Square. Andy carries on these same attributes and remains active with the Alpha. We are very proud to see both Doug and Andy grow, mature, become wise teachers, and assume leadership positions in the Chi Psi organization.

Having lived with Doug these 43 years, we are confident he would have a parting statement to all of us, especially Chi Psi's. Doug would caution, "Gentlemen always tie their own bow ties."
