

NATIONAL ASSOCIATION OF CHRONIC DISEASE DIRECTORS

Promoting Health. Preventing Disease.

April 2018 State Pulse Poll Results

The NACDD State Pulse survey was designed to collect feedback on pressing issues that Chronic Disease Directors and Health Promotion Departments are facing today.

NACDD is collaborating with ASTHO to explore opportunities to convene State Health Officials and Chronic Disease Directors through a Thought Leader Roundtable Forum. The following are the rankings of topics in order of importance to respondents.

What are the most common barriers you have to engaging with NACDD?

32%

of states polled participated

This survey was distributed to 59 directors of chronic disease programs for state and territorial health departments. Respondents are members of the National Association of Chronic Disease Directors. For more information on this survey, please contact Tamika Smith at tsmith@chronicdisease.org.

Survey results are published the month following distribution

325 Swanton Way, Decatur, GA 30030 (770) 458-7400
