GROW YOUR CAREER
Assess your professional competencies in chronic disease prevention and health promotion.
Participate in on-demand learning opportunities to enhance your skills.
Watch webinars or listen to podcasts on emerging issues in public health and management.
Learn how NACDD can help you become a better leader.

FAQ’S

I’m not sure I’m a Member. How can I get access to NACDD’s online tools and resources?
NACDD has two Membership categories: one for staff of State and Territorial Health Departments working in chronic disease programs, and one for other public health professionals and retirees interested in this area. Learn more about how you can join us.

I’m a partner interested in NACDD’s work. Where can I learn more about NACDD’s programs and initiatives?
Visit our Programs and Initiatives page to learn about NACDD’s hundreds of projects and activities focusing on improving health in every U.S. state and territory. We invite you to explore how you can collaborate with us on our partners page.

How can I find out about NACDD as an organization?
We are proud to be a model public health organization working to promote health and prevent disease. Our staff and consultancy model provide significant expertise and flexibility in supporting public health at the state and territorial level. As a Membership association, our bylaws explain our structure and leadership.
