CILIP
Special Interest Group

EUROPEAN MOBILE LIBRARY BUILDERS

There are certainly many coachbuilders across Europe capable of building mobile libraries, but relatively few are known in the UK. Those listed within either built vehicles for library operators who have attended mobile meets, or have taken part in a tender process for new vehicles under EU guidelines. If you are a constructor willing to tender for UK library vehicles and would like your company to appear here, please let us know by emailing: chair.pmlg@cilip.org.uk

Belgium

Body-Concept.be

Rue de Douvrain, 12,

B-7011,

Ghlin,

Belgique

<http://www.body-concept.be/en>
