Newsletter of CIPH Maritime Region

FROM THE CIPH MARITIME REGION PRESIDENT

Dear CIPH Maritime Region Members,

There are many advantages to being a member of an association like CIPH, so [take advantage!](#) Making connections and fostering communications is essential to success in all realms of life, especially the workplace. As President of CIPH Maritime Region, my goal for this year is to continue to grow an association that I see as providing all those participating in the plumbing and heating industry a place they can feel free to speak, to ask questions, to gather information, to offer advice, to make connections and to contribute to the growth and strength of the plumbing and heating industry.

Please [read this newsletter for details on opportunities for you to take advantage](#) and register for the May 17th business meeting where you will have the opportunity to hear about and provide feedback on the CIPH Long Range Plan with the CIPH Executive as well as for the June 15th CIPH Maritime Region Annual General Meeting and Annual Golf Tournament.

We look forward to seeing you at one of these events!

Sincerely,

David Harris, Harris Atlantic Sales
CIPH Maritime Region President
