Business Meeting # 2

PRESIDENT'S MESSAGE

What We Offer

The winter is almost upon us and the winds are getting colder but the overall weather has been rather balmy! The Construction Industry and the Road Repair Industry have been more than happy with this version of global warming. Hopefully, we can get through this winter without too many snow storms.

Our Annual Golf Tournament in late September was well attended by 112 brave souls. Everyone cooperated in making it a great golfing day except the weather! Yes we were finally rained on as the sun did not want to attend that day. We did raise \$1,680 from our putting contest for

PAST

PRESIDENTS

On November 3rd, 2015 the CIPH Ontario Region celebrated 50 years! It was a pleasure to see so

Brantford Food Bank and we collected 230 lbs. of food. We look forward to seeing everyone again next year.

The Fall Business Meeting was a huge success along with our acknowledgement of the 50th Anniversary of the Ontario CIPH Region. Mr. Douglas Porter, BMO's senior economist was very succinct in his remarks about the upcoming forecast for our economy and that of the world economy in the ways it will affect us. The presentation was professional, easy to understand and is available to anyone. Just ask CIPH for a copy. Thank you to all for attending and making it one of our most well attended Fall Forecast meetings. Over 114 were in attendance.

I had the privilege of presenting a CIPH Scholarship at Georgian College on December 1st to Andrew Dobson. The students are so appreciative of support shown by all Industries with their participation in the scholarship efforts. We as an Industry Association will continue to support scholarships like these.

Please mark your calendars to attend our 2nd Business meeting on Thursday January 28th, 2016 at the Mississauga Convention Centre. Our guest speaker will be Dane Jensen from Performance Coaching. He is an expert in Strategy and Leadership and advises Senior Leaders in both Sport and Business.

We will be hosting a Habitat for Humanity Gala on Tuesday March 15th, 2016 which will preface the CMPX 2016 Trade Show at the MTCC on March 16-18, 2016. Watch your email inbox for detailed information and a ticket order form. Please plan to attend!

We want to wish everyone a Happy Holiday and a safe New Year. See you 2016!

All the best,

Brent Cornelissen, OS&B
CIPH Ontario Region President

YOUR DATA:

Keys to Thriving in a Dynamic Marketplace

When CIPH members look for high quality, condensed manager and leader training they turn to the University of Innovative Distribution; it is the most concentrated, distribution-specific and profit-oriented series of workshops available to our industry. The 2016 faculty includes the most sought after consultants, trainers and writers in their fields. No other training offers the opportunity to learn from this much expertise in one experience.
