

Lixil Canada Inc. introduces...

American Standard Studio and Cadet Touchless Toilets

No-touch flush — for a cleaner, safer bathroom. At American Standard we've combined reliable touchless technology with the legendary Cadet flushing system to create a toilet that offers a cleaner, more hygienic bathroom experience. A slow wave of the hand within 1-1/2 inches of the sensor will activate the powerful Cadet flush.

Product Category: Plumbing and Piping

Date Product was introduced to the Canadian Market: January 2021
