Dear Dan,

Dan on behalf of the CIPH Board of Directors I am delighted to congratulate the Region on achieving a special milestone in 2020 by celebrating 35 years as a CIPH Region. Established in 1985 under the leadership of Chris Finnbogason (Chris Finnbogason Agency) the Region continues to implement meaningful programs and services at the local level for the direct and tangible benefit of the membership while providing a better understanding of our industries common challenges and solutions.

Communication and understanding is critical and central to the well-being of all of our nine Regions success across Canada. That success is based on trust, honesty and cooperation in our efforts to exchange knowledge, to anticipate the future and to work together because we serve our members best when we serve the industry first. The Region has a phenomenal group of dedicated volunteers that give so freely of their and talent to ensure that the mission of CIPH moves forward and together they are committed to ensuring a strong and relevant CIPH Manitoba Region.
