

The Committee – Stacey Kamien

Stacey Kamien – Stacey Kamien entered the plumbing world in 2007 at Bélanger UPT, following completion of her education with diplomas and certificates in Business Administration and Marketing. While starting in Customer Service, she is now responsible for Wholesale Inside Sales. Described by her peers and colleagues as an outgoing, charismatic and enthusiastic person, Stacey decided to join the CWN in order to better develop her industry knowledge as well as getting mentoring and support from other women in the industry. Stacey is dedicated to her career while being a mother of 2 young children, balancing her professional and personal life, while getting the most out of both.
