

Wine Tour & Tasting at Hall St. Helena *Monday, April 8, 2019 - 1:15 PM PT*

ABOUT THE CLTA WINE TOUR AND TASTING:

We will visit the impressive Hall St. Helena winery and tasting room! We invite you to join a select group of fellow Convention attendees for this unforgettable experience.

Once at the Hall, you will enjoy a beautiful tour around the grounds while experienced wine educators will share stories about the Hall vision and the history of the property. You will then be guided through the beautifully restored historic Bergfeld building, see pieces in the extensive art collection, and learn about the Hall philosophy of precision grape growing and wine making. Your tour will conclude in a private salon for a seated tasting of four of Hall's award winning artisan wines.

Space is extremely limited for this exclusive event. Itinerary is subject to change. If you are interested in attending, don't delay - register today!

RESERVATION POLICIES:

Reservation fee includes wine tour and tasting, group transportation to and from winery, refreshments, and light eats. Full refunds will be issued in the event of cancellation.
