Subject: SB 2 Exemptions / Government Code Section 27388.1 – Affordable Housing & Jobs Act Fee

The California Legislature passed and the Governor signed Senate Bill 2, Chapter 2.5 of the Statutes of 2017 changing that effective January 1, 2018, recordable documents may be charged a fee to support the Building Homes and Jobs Act.

The bill imposes a mandate on County Recorders to charge an additional $75.00 at the time of recording of every real estate instrument, paper, or notice required or permitted by law to be recorded, except those expressly exempted from payment of recording fees, per each single transaction per parcel of real property, not to exceed $225.00

Documents believed to be exempt from paying the $75.00 Building Homes and Jobs Act fee must have an exemption on the face of the document, or on the cover page, prior to depositing with the Recorder’s Office. The following exemptions may apply:

- Exempt from fee per GC 27388.1(a) (2); recorded concurrently “in connection with” a transfer subject to the imposition of documentary transfer tax", OR

- Exempt from fee per GC 27388.1 (a) (2); recorded concurrently “in connection with” a transfer of real property that is a residential dwelling to an owner-occupier", OR

- Exempt from fee per GC 27388.1 (a) (1); fee cap of $225.00 reached OR

- Exempt from the fee per GC 27388.1 (a) (1) Not related to real property

Failure to include an exemption reason will result in the imposition of the $75.00 Building Homes and Jobs Act fee.

Fees Collected are deposited to the State and may not be available for refund.

NOTES:

1. NOTE: The definition of a parcel is, “a piece of land of any size that is in one ownership.” (1984 American Institute of Real Estate Appraisers: The Dictionary of Real Estate Appraisal). Recorders do not have the capability to decipher or interpret parcel information as this is not a function of the Recorder. As such, the Association has determined $82 fees will be calculated as one parcel being the same as one transaction with the single charge of $75.

2. Transaction is defined and “refers to an instrument, paper or notice presented together and related to the same parties and property.” (CRAC)

3. Calculation per title - GC § 27361.1, states in part: “Whenever two or more instruments, papers, or notices are serially incorporated on one form or sheet, or are attached to one another, except as an exhibit marked as such, each instrument, paper, or notice shall be considered to be a separate instrument, paper, or notice for the purpose of computing the fee established by § 27361 of this code.”
