TO: CMTA State Board

RE: CMTA Division 8 Report

We remain aware that, especially in today's climate of job reductions, it may be difficult for one person wearing both hats to attend the local meetings of two separate professional organizations (CMTA and CSMFO). To keep as many members engaged as we can, CMTA Division 8 continues to hold joint meetings with the local Chapter of CSMFO.

The Chapter Chair for CSMFO, Ernie Reyna, CPA, CFO of the Western Riverside Council of Governments, and I discuss the topics and speakers ahead of time, so CMTA member interests are being considered. We have also received positive feedback about our decision long ago to hold the quarterly meetings at the same location every time: Dave and Busters at Ontario Mills.

Our last meeting was March 13, 2014. Our guest speaker was the Honorable State Treasurer, Bill Lockyer. We had over 100 attendees.

Best wishes for a terrific Annual Conference 2014.

Debbie Sousa, CMTA Division 8 Chair
