

**CMTA REPORT FOR DIVISION I**  
**JULY 2013**

Since our last Board meeting Division I has met jointly with CSMFO one time. We continue with the quarterly meetings approach with each City in the County taking a turn being responsible for organizing and putting on the meeting. This Quarter we had a meeting in the City of Coronado June 27th. The speaker was Ernest J. Dronenburg, Jr., the Assessor, Recorder, and County Clerk for the County of San Diego. This meeting was very well attended by both members of the CMTA and CSMFO as it is the annual meeting at which the County Assessor releases to us our assessed valuation information for the upcoming fiscal year. The next meeting will be held in the fall sometime with the City of Del Mar being the host.
