TO: CMTA State Board

RE: CMTA Division 8 Report

We remain aware that, especially in today's climate of job reductions, it may be difficult for one person wearing both hats to attend the local meetings of two separate professional organizations (CMTA and CSMFO). To keep as many members engaged as we can, CMTA Division 8 continues to hold joint meetings with the local Chapter of CSMFO.

The Chapter Chair for CSMFO and I discuss the topics and speakers ahead of time, so CMTA member interests are being considered. We have also received positive feedback about our decision to hold the meetings at the same location every time.

Our last meeting was last Thursday, July 18, 2013. Our guest speakers were from Best, Best and Krieger and the topic was the Affordable Health Care Act. We had over 80 attendees.

Thank you for keeping CMTA a valuable organization.

Debbie Sousa, CMTA Division 8 Chair
Treasurer, West Valley Water District
