RURAL EDUCATION SUMMIT: POWER OF PARTNERSHIPS

Join us at the 2018 Rural Education Summit to kick-off the CASE Convention, *Leadership Elevated* in beautiful Breckenridge. Participants will spend the day being inspired, joining work sessions, influencing rural synergy, and expanding access to best practices in rural education across Colorado. The Summit will highlight exemplary programs in the areas of mental health, college/career readiness, school safety, and rural district/university partnerships for recruitment and retention. Program representatives will present examples of proven strategies for successful outcomes that are adaptable to multiple rural contexts across the state. Participants will have opportunities for extended conversations to consider adoption of promoting practices in the three areas of focus for the rural summit.
