51st Annual CASE Convention
A Virtual Experience

Convention: July 29 - 30, 2020 (afternoons only)

New Superintendents Orientation

July 27, 2020 | 10:00 AM – 3:00 PM | On-site at CASE Office

New superintendents won't want to miss this comprehensive and informative session that will provide the tools crucial to success in your new leadership role. A mix of presentations and discussion will focus on building effective relationships with the school board, the community, and school district employees. Practical strategies and tools will be shared with you as you plan to make a positive difference in your new role.

You will have the opportunity to meet other new superintendents, connect with colleagues at the Colorado Department of Education and learn about other outside resources.

Our presenters will guide you in identifying timely and critical issues impacting Colorado public education, in which every superintendent should be well-versed and prepared to address within their own school district.

This workshop will be presented by: Mapleton School District Superintendent **Charlotte Ciancio** and Greeley-Evans School District 6 Superintendent **Deirdre Pilch**.

Registration

Separate fee required for the main Convention

Member

\$150

Non-Member

\$200
