

VENUE-TO-VENUE TRAVEL TIMES

Due to the large number of Convention program offerings, we have conference sessions at multiple locations. The below chart indicates the distance between locations to help with your planning. This chart includes walk and drive times between all of our venues. Use the X-Axis as your starting point and the Y-axis of where you would like to go. This year we will be utilizing more shuttles between the venues. Please refer to the shuttle information listed at each venue if you prefer to ride instead of walk.

Please note that this chart includes all venues for lodging and sessions. The venues that will host sessions are only a 10-minute walk from each other and will have scheduled shuttle drop off and pick up times.
