Coming Up at CASE

Leadership, Equity & Diversity Program

As the population of students of color continues to grow across our state, there is too little opportunity for students to encounter leadership role models of similar culture, race and/or ethnicity in their schools and districts. CASE is committed to supporting aspiring leaders of color in order to build a more representative, diverse and
to build a more representative, diverse and equitable candidate pool for leadership positions across the state. The deadline to apply for the 2020-2021 LEAD Program is this Friday, October 16! Click below to learn more.

CASE In Any Space

CASE In Any Space is a virtual learning pathway for all CASE members to enjoy from the comfort of their own homes. Each session focuses on common ideas, resources, and concerns, creating a shared learning experience among job-alike colleagues across the state. All sessions will take place via Zoom on the third Wednesday of each month from November 2020 to April 2021. Every session in the CASE In Any Space program follows the Design Thinking Format, with an emphasis on participant discussion and interaction.

2021 CASE Winter Leadership Conference

CASE is thrilled to share that registration for the 2021 CASE Winter Leadership Conference, Excellence By Association, will open at the end of this month on October 30, 2020! The CASE team looks forward to welcoming attendees for an in-person event in Westminster from February 4 – 5, 2021. This year's conference will have strict COVID-19 health and safety protocols in place, in order to ensure the wellness of our guests. More information about our safety measures and this year's conference will be available soon.
Highlights From September 2020

2020 CASE Superintendents Conference

CASE was glad to welcome superintendents from around the state to join us for a socially-distanced 2020 Superintendents Conference in Breckenridge. This year’s event featured a discussion about the upcoming 2021 Legislative Session and a legal panel exploring some of the complex issues currently facing school districts related to COVID-19. Click here to watch a recording of the legal panel session.
