HR 7157 – November 16, 2018 Medicare Bill Championed by ACA

HR3654 – July 9, 2019 Current Medicare Bill Championed by ACA

Section 1: Short Title Change

HR 7157: Chiropractic Patients’ Freedom of Choice Act of 2018

HR 3654: Chiropractic Medicare Coverage Modernization Act of 2019

Section 2: Title Change

HR 7157: Statement of Purpose

HR 3654: Findings: Statement of Purpose

An entire section of “Findings” has been added to HR 3654: which was not included in HR 7157:

1 SEC. 2. **FINDINGS**; STATEMENT OF PURPOSE.

2 (a) FINDINGS.—Congress finds the following:

3 (1) In 1972, coverage was established under the

4 Medicare program for beneficiaries to receive chiro-

5 practic care.

6 (2) Unfortunately, the antiquated statute re-

7 stricts beneficiaries to one service in a chiropractic

8 clinic and Medicare chiropractic coverage has not

9 kept up with private sector coverage and other fed-

10 eral health delivery systems.

11 (3) Today, due to positive evidence-based out

12 comes and cost effectiveness of the services provided

13 by doctors of chiropractic, private coverage for chiro-
14 practic services has evolved and State licensure for
15 chiropractors has advanced to meet patient needs
16 and health outcomes.

17 (4) This Act would bring Medicare chiropractic
18 coverage more in line with that provided with the
19 Department of Veterans Affairs, Department of De-
20 fense, the Federal Employee Health Benefits Pro
21 gram, and private health insurance coverage.

Section 3 (cc) Limitations on Payment – Title change

HR 7157: Limitations on Payment

HR 3654: Limitations on Payment of Services Provided by Certain Doctors of Chiropractic

Section 3(cc) Language Changes

HR 3654: “doctor of” added in front of “Chiropractic” on line 9.

This language which originally appeared in the November 16, 2018 HR 7157 has been struck

whose pattern of billing for the most re-
14 cent previous period for which data is available is
15 determined under paragraph (1) to be aberrant com-
16 pared to peers, payment may be made under this
17 part only if such services are treatment by means of
18 manual manipulation of the spine.”.

And is replaced with this language in HR 3654:

payment may only be made under this part
11 for such services if—
12 “(1) such services are furnished by a doctor of
13 chiropractic who is verified once, by a process de-
14 signed by the Secretary, as attending an educational

15 documentation webinar, or other similar electronic
16 product, designed by the Secretary or an updated
17 modified version of such webinar, as designed by the
18 Secretary; or
19 “(2) such services are treatment by means of
20 manual manipulation of the spine to correct a sub-
21 luxation.”.
