

Judge Monaco Receives Lifetime Achievement Award

On Friday, January 25, 2008 150 local attorneys and friends gathered at the Inn on Fifth to celebrate with Judge Daniel R. Monaco as he received a Lifetime Achievement Award from the National Italian American Bar Association.

The evening was filled with glowing testimonials to Judge Monaco. The speakers included long-time friends Judge Franklin Baker, Dick Myers, John P. Cardillo and Kathleen Passidomo. Additionally, members of the Italian American Bar, who traveled from as far away as Canada, paid tribute to Judge Monaco for his contributions to the legal field.
