

## 2008 Collier County Bar-B-Q

On March 8, 2008 the Collier County Bar Foundation held its annual event to raise funds for a local charity that serves the youth and underprivileged of our area. This year's beneficiary was the Legal Aid Service of Collier County's Children's Program.

The chilly weather did not cool down the party! Over 100 local attorneys, judges, magistrates and their guests enjoyed the hospitality of Joe and Louise Stewart, who once again graciously opened their home for the event. Guests were treated to a sumptuous buffet provided by Fernandez the Bull as well as some amazing music. Local attorneys Gary Green and Larry Farese joined the band for several numbers and dazzled the crowd with their musical talents.

The Collier County Bar Foundation gratefully acknowledges the sponsors who made this event possible.
