### Qualifications of the Instructor:

Dr. Mario Fucinari, is uniquely qualified as one of the few instructors still in full-time practice! Dr. Fucinari is a member of the Carrier Advisory Committee for Medicare, a Certified Professional Compliance Officer (CPCO), Certified Medical Compliance Specialist (MCS-P), and a Certified Chiropractic Sports Physician (CCSP®). He is a Diplomate of the Academy of Integrative Pain Management (APMP). Dr. Mario Fucinari has been presenting Continuing Education Classes for over twenty years and is a nationwide speaker on Medicare, Clinical Documentation, ICD-10 Coding, Compliance and HIPAA. In his back-to-the-basics approach, Mario whittles a difficult subject to an understandable and interesting comprehension of the requirements.

Mario P. Fucinari D.C., CCSP,  
DAAPM, CPCO, MCS-P

### Synopsis of Course:

Understanding the ever-changing requirements of documentation, coding and compliance requires more hats to be worn by the chiropractor. Over the last year, the chiropractic profession has experienced an alarming increase in Medicare audits, recoupments and indictments. The policies and procedures will continue to evolve, but this class will show you how to develop strategies to mitigate your risk associated with practice requirements and how to apply the scientific evidence to improve patient outcomes.

**NOTICE:** To fulfill the CE requirements of the Colorado Board of Chiropractic Examiners established via Rule 8, you must:

1. Obtain 15 CE hours per year (November 1 - October 31) for a total of 30 every two-year license renewal period. These hours must meet the educational requirements as outlined by the board. Subjects of a clinical nature are generally approved, while subjects such as practice management, managed care, financial management, or personal motivation do NOT qualify.
2. Maintain records of seminar attendance in your files including:
  - The title, date and hours of the course
  - Verification of CE hours attended
  - A synopsis of the course
  - The qualifications of the instructor
3. The board will perform audits to insure CE compliance.
