Course Title: Assessment, diagnosis and treatment of common extremity conditions
Date of Course: Saturday, June 24, 2017
CE Hours Applicable: 8 CE
Location: Pagosa Springs Hot Springs | 165 Hot Springs Blvd. Pagosa Springs, CO 81147

Course Description

This 8-hour course will provide Doctors of Chiropractic with the information and practical skills relating to common extremity conditions seen in the sports chiropractic practice. The course will review clinical presentations, physical examinations (with an emphasis on orthopedics) along with treatment and management. Attendees will participate with hands-on orthopedic examinations and work ups along with extremity adjusting techniques commonly used for the athletic population.

Continued on Page 2

Qualifications of the Instructor:

Joel Dekanich, DC, RN, MS, DACBSP, CSCS graduated from Palmer College of Chiropractic (Davenport, IA) in 1994 and is credited for forming one of Colorado's first multidiscipline practices in Vail, CO in 1995. A Diplomate with the American Chiropractic Board of Sports Physicians, Dr. Dekanich lectures frequently around the country for the CCSP® and various collegiate post graduate programs and is considered a specialist in sports chiropractic and extremity adjusting. He has worked most recently with Team USA Track & Field at the 2016 Paralympic Games in Rio de Janeiro, Brazil and the parapan American Games, the PGA Tour and US Open, players from the NFL and the Vail International Dance Festival. Dr.

Dekanich brings an extensive educational background including a Master's degree in exercise science and rehabilitation from Logan University, a nursing degree, a certified strength & conditioning specialist along with numerous post graduate certifications in sports chiropractic/medicine. He has also co-authored a research study published in the acclaimed Journal of Orthopedics Sports Therapeutics (JOSPT).

NOTICE: To fulfill the CE requirements of the Colorado Board of Chiropractic Examiners established via rules, you must:

1. Obtain 15 CE hours per year (November 1 - October 31) for a total of 30 every two-year license renewal period. These hours must meet the educational requirements as outlined by the board. Subjects of a clinical nature are generally approved, while subjects such as practice management, managed care, financial management, or personal motivation do NOT qualify.
2. Maintain records of seminar attendance in your files including:
 - .The title, date and hours of the course
 - .Verification of CE hours attended
 - .A synopsis of the course
 - .The qualifications of the instructor
3. The board will perform audits to insure CE compliance.

Please contact the CCA for additional information.
