Course Title: Sports Physical Certification & RE-Certification Course 2017
for Colorado middle school & high school students

Date(s) of Course: Saturday, August 26, 2017
Olympic Training Center - CoE Room 1750 E Boulder St Colorado Springs, CO 80909

CE Hours Applicable: - 4 hours for Initial Certification 8:00 am - 12:00 pm
OR 2 hours for Re-Certification 10:00 am - 12:00 pm

Please refer to certificate for total hours. Hours may include CPR

Synopsis of PreParticipation Physicals:

Doctors of chiropractic are allowed to perform Pre-Participation Physical Examinations (PPE) for student athletes in Colorado. Although DCs possess the education and clinical judgement to perform such physicals, the Colorado High School Activities Association (CHSAA) regulations require initial certification and additional four-hour re-certification every two years. Includes health care provider level CPR training.

This course will cover:

◆Goals & content of PPE. ◆Patient history & physical examination. ◆Guidelines for student sports participation in Colorado ◆Legal precautions. ◆Appropriate PPE forms. ◆Health Care Provider Level CPR training. *Required course materials & rules* ◆**BRING:** Stethoscope, pen light & sphygmomanometer. ◆A written and practical test will be given to attendees completing the PPE course. You must pass the test with a score of 80% or greater to be eligible to register to perform PPEs.

Bill Moreau, DC, DACBSP, FACSM, is a chiropractic sports medicine physician and evidence based clinician. He has lead sports medicine for the United States Olympic Committee after more than 25 years of private practice. Moreau develops the USOC sports medicine strategy and oversees all Team USA sports medicine activities including; clinics, games and the National Medical Network. Dr. Moreau served as the Medical Director for Team USA at the London 2012 Summer and Sochi 2014 Winter Olympic Games and as the first doctor of chiropractic in the world to serve as an Olympic Games Chief Medical Officer (CMO) at the 2016 Rio Olympic Games. He has managed the care of thousands of athletes.

He has been featured in USA Today, Time, ESPN, NPR, NBC, the New York Times, GE Healthcare News, the US Department of Health and Human Services, Army Strategic Studies Group and the Allegany Healthcare Summit.

*Bill Moreau, DC,
DACBSP, FACSM*

Dr. Moreau has a special interest in sports medicine research centered on the prevention of injury and illness in athletes and concussion. He serves on the NFL International Think Tank on Concussion Research. Moreau has successfully presented over 700 invited lectures throughout the United States and Internationally.

NOTICE: To fulfill the CE requirements of the Colorado Board of Chiropractic Examiners, pursuant to rules effective 11/30/95, you must:

1. Obtain 15 CE hours per year (November 1 - October 31) for a total of 30 every two-year license renewal period. These hours must meet the educational requirements as outlined by the board. Subjects of a clinical nature are generally approved, while subjects such as practice management, managed care, financial management, or personal motivation do NOT qualify.
2. Maintain records of seminar attendance in your files including:
 - .The title, date and hours of the course
 - .Verification of CE hours attended
 - .A synopsis of the course
 - .The qualifications of the instructor
3. The board will perform audits to insure CE compliance.

Please contact the CCA for additional information.
