### Qualifications of the Instructor:

Dr. William Schuh received his medical degree from the University of Colorado in 1994, followed with a General Surgery residency in Phoenix at Good Samaritan Hospital, and then a Vascular Surgery fellowship at Saint Louis University. Dr. Schuh has been in practice in the Denver area since 2000, is board-certified in General and Vascular Surgery, a Fellow of the American College of Surgeons (F.A.C.S.), and a member of the American College of Phlebology. A Colorado native, Dr. Schuh is proud to have served in the United States Marine Corps, enjoys spending time outdoors, and loves living in the mountains with his family.

**Dr. William Schuh, MD**

---

### Synopsis of Course:

This brief lecture will look at different studies from an MD perspective and debunk myths and rumors regarding chiropractic manipulation. This course will review the signs and symptoms of a dissection and review studies as they relate to strokes. Studies reviewed include the 2008 Risk of Vertebrobasilar Stroke and Chiropractic Care by published in SPINE and more!

---

**NOTICE:** To fulfill the CE requirements of the Colorado Board of Chiropractic Examiners established via Rule 8, you must:

1. Obtain 15 CE hours per year (November 1 - October 31) for a total of 30 every two-year license renewal period. These hours must meet the educational requirements as outlined by the board. Subjects of a clinical nature are generally approved, while subjects such as practice management, managed care, financial management, or personal motivation do NOT qualify.
2. Maintain records of seminar attendance in your files including:
  - The title, date and hours of the course
  - Verification of CE hours attended
  - A synopsis of the course
  - The qualifications of the instructor
3. The board will perform audits to insure CE compliance.

**Please contact the CCA for additional information.**
