Sponsored By:

Mark Anderson

Standard Process West, Inc., President

Qualifications of the Instructor:

For 42 years, Mr. Mark Anderson has taught the seminal works of Dr. Royal Lee through books, lectures, multimedia, seminars, and websites. His training and engagement with holistic health professionals through his distributorship with Standard Process gives him close connection and special insight into the nutritional needs of today's chiropractic practice. He received his original training at the University of Denver and the Lee Foundation for Nutritional Research in Milwaukee.

Along with legendary chiropractor Bernard Jensen, Mr. Mark Anderson, co-authored the critically acclaimed book, *Empty Harvest: Understanding the Link Between Our Food, Our Immunity, and Our Planet*. Mr. Anderson is in his 5th decade of training doctors with Standard Process whole food nutritional therapy and has lectured on holistic health approaches to professional societies, colleges, and health organizations throughout North America, Europe, and Asia, and Africa.

He is the founder, host, and presenter of the Back to School for Doctors series of seminars and lectures. Now in its 3rd decade, the Back to School for Doctors seminar series is one of the largest nutritional therapy seminars for doctors held annually. Over the decades, thousands of doctors from every US state and Canada have attended this 2-day seminar always held in

Synopsis of Course:

This brief lecture will show the 3 simple nutritional steps required to systemically and safely lower blood cholesterol and triglyceride levels without the use of drugs. Documented gold standard research from peer-reviewed journals will be presented to authenticate the efficacy of this approach.

NOTICE: To fulfill the CE requirements of the Colorado Board of Chiropractic Examiners established via Rule 8, you must:

1. Obtain 15 CE hours per year (November 1 - October 31) for a total of 30 every two-year license renewal period. These hours must meet the educational requirements as outlined by the board. Subjects of a clinical nature are generally approved, while subjects such as practice management, managed care, financial management, or personal motivation do NOT qualify.
2. Maintain records of seminar attendance in your files including:
 - The title, date and hours of the course
 - Verification of CE hours attended
 - A synopsis of the course
 - The qualifications of the instructor
3. The board will perform audits to insure CE compliance.

Please contact the CCA for additional information.
