Bradley Hennen, DC

While initially focused primarily on pediatrics and pregnancy, Dr. Hennen now treats severe neurological cases worldwide. He served as the Outpatient Clinic Director (2007-2012) at the Real Centro Universitario Escorial – María Cristina in San Lorenzo de El Escorial, Spain, where he also taught Clinical Studies and Technique. He is a member of the Asociación Quiropráctica Española (AEQ – Chiropractic Association of Spain) and is actively engaged in the establishment of standards of care in the European Union.

Synopsis of Course:

Problem based learning takes on a few chiropractic case studies that will challenge the audience to use their own experience to take a specific chiropractic case from start to finish using the expertise of the collective to reach an interactive conclusion.

NOTICE: To fulfill the CE requirements of the Colorado Board of Chiropractic Examiners established via Rule 8, you must:

1. Obtain 15 CE hours per year (November 1 - October 31) for a total of 30 every two-year license renewal period. These hours must meet the educational requirements as outlined by the board. Subjects of a clinical nature are generally approved, while subjects such as practice management, managed care, financial management, or personal motivation do NOT qualify.
2. Maintain records of seminar attendance in your files including:
 - The title, date and hours of the course
 - Verification of CE hours attended
 - A synopsis of the course
 - The qualifications of the instructor
3. The board will perform audits to insure CE compliance.
