

Show Your Support and Contribute Today!!

Donating to the CCPAC, Colorado Chiropractic Political Action Committee, is the best way to protect your patients' rights and patient access to chiropractic treatment in Colorado. Your contribution will be used to support positive, pro-chiropractic contacts with state legislators. Each Colorado legislative session encompasses issues that impact doctors of chiropractic and their patients. The information is distributed to your patients through CCA's Adjust to Health campaign, www.adjusttohealthco.org. The CCA is informed on these issues and together with our lobbyists support a pro-chiropractic agenda. There is strength in numbers and the CCPAC helps us accomplish our legislative agendas.

Please contribute today. Thank you!

All donors receive a CCPAC pin!
