

CSA Computer Lab Safety Training

CONFINED SPACE (AWARENESS) SAF

Confined Space (Awareness) gives trainees a basic understanding of confined space hazards and the general requirements of the OSHA Confined Space Standard.

Course Fee

CSA Member: \$32

Alliance Member: \$32

Non-Member: \$42

Course Length: 1 Hour

Course Expiration: 3 years from course date

Passing Score Required: 70

Trainees will gain an understanding of:

- The differences between confined spaces and “permit-required” confined spaces
- The hazards associated with working in confined spaces
- How to protect themselves from these hazards
- Entry procedures
- Reclassification procedures
- Contractor requirements
- The confined space entry permit
- Training and duties of the entrant, attendant, and entry supervisor
- Rescue and emergency services
