Mr. Troy Petrillo

Supervisory Investigator

Division of Northeast Imports

U.S. Food & Drug Administration

Dear Mr. Petrillo:

CONNECT would like to thank you once again for your presentations made at our Biotech seminars over the past few years. Your much-needed FDA regulatory information is always very well received by our audiences. CONNECT is hosting another Biotech educational seminar on Wednesday, December 4 at Takeda Pharmaceutical, Inc., entitled "Bio-Pharma/Chemical Compounds Tariff Classification Seminar & Participating Government Agencies Updates." We'd like to invite you once again to share your FDA expertise and regulatory knowledge with our CONNECT biotech members. The official event flyer will be crafted once all speakers are confirmed.

We'll await your approval before we put your name on any promotional materials. Thank you for your consideration – we do hope you'll join us in December in Cambridge.

Sincerely,

Luiz da Costa
