Gifts

Memorial or Honor Gift

Make a donation in tribute to someone significant in your life who has passed away. After your gift has been made an acknowledgement card will be sent to the honoree’s family from the Cosmetic Surgery Foundation President. Or give a gift in honor of a living person who has had an influence in your life, be it a mentor, teacher or parent. After your gift is made, an acknowledgement card will be sent to the honoree(s).

Endowment Gift

An endowment gift to the Cosmetic Surgery Foundation today provides a brighter picture for our future. When you make a donation to our endowment, you give a gift with both immediate and long-term benefits. Endowment donations are invested. A portion of the annual income from the investment is used to address immediate needs at the Cosmetic Surgery Foundation. The remaining funds are reinvested to ensure indefinite support.

Planned Giving

Charitable IRA Contributions

If you are 70½ years old or older, you can take advantage of a simple way to benefit the Cosmetic Surgery Foundation and receive tax benefits in return. You can give up to $100,000 from your IRA directly without having to pay income taxes on the money. This law no longer has an expiration date, so you are free to make annual gifts to our organization this year and well into the future. This transfer generates neither taxable income nor a tax deduction, so you benefit if you do not itemize your deductions. If you have not yet taken your required minimum distribution for the year, your IRA charitable rollover gift can satisfy all or part of this requirement.

Living Wills & Estates

Perhaps you want to leave money to the Cosmetic Surgery Foundation in your will, and you also want the flexibility to change your will in the event that life circumstances change. You can do both. In as little as one sentence, you can complete your gift. This type of donation to the Cosmetic Surgery Foundation in your will or living trust helps ensure that we can support cosmetic surgery for years to come.
