THE 2018 ANNUAL SCIENTIFIC MEETING

Welcome to the 2018 Annual Scientific Meeting of the American Academy of Cosmetic Surgery! Over the next three days, we will be bringing it all together to show you how to combine current cultural trends with the latest technologies, techniques, and marketing strategies to push your practice to the forefront of cosmetic surgery. Through our master-led sessions and demonstrations, we’ll give you the concepts and strategies you need to achieve even greater success and outstanding patient outcomes.

Designed to help your cosmetic surgery practice thrive, this year’s meeting has an extensive lineup of top cosmetic surgeons from a variety of specialties, ready to share their experiences and expertise. In addition to our educational sessions, we have many non-CME opportunities and social events that provide you with a great opportunity to connect and share ideas with your colleagues.

We hope you enjoy your time in Vegas and leave here inspired and ready to reach the next level of success for your cosmetic surgery practice.

PLANNING COMMITTEE

MONA ALQULALI, MD
LISA CHIPPS, MD
ASHISH DUTTA, MD
IRENE GLADSTEIN, MD
SUZAN OBAGI, MD (Chair)

SAMIR PANCHOLI, DO
ALEX SOBEL, DO
JULIE WOODWARD, MD
EDWARD ZIMMERMAN, MD

DON’T FORGET TO DOWNLOAD THE AACS MOBILE APP TO ADD ANOTHER DIMENSION OF INTERACTION TO THE MEETING AND CREATE YOUR CUSTOM SCHEDULE.

SOCIAL EVENTS

INTERNATIONAL ATTENDEE RECEPTION | REEF F
Wednesday, January 31 | 6:00 – 7:30pm | Complimentary
Joining us from abroad? Attend our complimentary International Welcome Reception and connect with your fellow cosmetic surgery professionals from around the globe over appetizers and drinks.

Brought to you by Bovie Medical Corporation

ABCS DIPLOMATE LUNCHEON | MANDALAY BAY C
Thursday, February 1 | 12:45 – 2:00pm | $75, RSVP required
The Diplomates of the American Board of Cosmetic Surgery will convene for their annual luncheon. Advance RSVP is required; visit the registration desk for availability.

WELCOME RECEPTION | EXHIBIT HALL
Thursday, February 1 | 5:30 – 7:00pm | Complimentary
Celebrate the start of the Annual Scientific Meeting with your fellow attendees. This lively reception will take place in the exhibit hall on Thursday, immediately following the day’s sessions. We will welcome our exhibitors to the show and kick off the meeting. Sip on cocktails and grab some appetizers before you head out for the evening. Two drink tickets are provided per registered attendee.

AMERICAN JOURNAL OF COSMETIC SURGERY BREAKFAST | REEF F
Friday, February 2 | 8:00 – 9:30am | Complimentary
Open to reviewers, authors, and all interested in learning more about the AJCS. Meet with AJCS Editor, Dr. Elie Ferneini, and learn why you should contribute to this growing publication.

FELLOWSHIP LUNCHEON | MANDALAY BAY C
Friday, February 2 | 12:30 – 2:00pm | Complimentary, RSVP required
The Fellowship Luncheon is open to all current Fellowship Directors, Fellowship Trainees, and those interested in becoming a director or trainee. See the registration desk to RSVP if space is available.

Brought to you by remedy

WEBSTER SOCIETY DINNER, DRINKS & DANCING
RIVEA, DELANO LAS VEGAS
Friday, February 2 | 7:00 – 10:00pm | Visit the Cosmetic Surgery Foundation table in the Mandalay Bay Foyer for ticket information
Join the Cosmetic Surgery Foundation’s Webster Society. Make a recurring, tax-deductible gift today and be invited to our Annual Webster Society Annual Donor Gala Event. The event is black-tie optional with dinner, drinks, and dancing. To date, the Foundation has given over $1,500,000 in grants and awards to individuals and educational activities of the AACS.
EXPERIENCE THE CONFERENCE FROM THE PALM OF YOUR HAND. WITH THE AACS MOBILE APP, YOU HAVE FAST AND CONVENIENT ACCESS TO ALL ASPECTS OF YOUR MEETING EXPERIENCE:

- Access the event schedule and customize your agenda
- View speakers, read bios, and download available presentations
- Check out the exhibitors and locate their booths more easily through an interactive map
- Receive important meeting updates directly to your phone
- See who’s attending and share contact information with other attendees
- Expand your professional network and have fun!

DOWNLOAD THE MEETING APP IN 3 EASY STEPS!

1. Using your mobile device, search and download the “CrowdCompass AttendeeHub app” in the App Store or Google Play store

2. Once downloaded, open the AttendeeHub app and search “AACS 2018”

3. Select and download the AACS 2018 app!

DON’T HAVE AN APPLE OR ANDROID DEVICE? NO PROBLEM. VIEW THE ONLINE VERSION OF THE APP HERE: https://crowd.cc/aacs2018
KEYNOTE SPEAKERS

ZANNAH HACKETT, PHD
Maintaining Sanity in the Workplace
Friday, February 2 | 2:00 – 2:45pm | Mandalay Bay F

IMPORTANT SAFETY INFORMATION

APPROVED USES:
Restylane® Refyne is for mid-to-deep injection into the facial tissue for the correction of moderate to severe facial wrinkles and folds, such as nasolabial folds, in patients over the age of 21.

Restylane® Defyne is indicated for injection into the mid-to-deep dermis for correction of moderate to severe, deep facial wrinkles and folds, such as nasolabial folds, in patients over the age of 21.

CONTRAINDICATIONS:
Restylane® Refyne and Restylane® Defyne contain traces of gram-positive bacterial protein and are contraindicated for patients with allergies to such material or for patients with severe allergies that have required in-hospital treatment. They should not be used by patients with bleeding disorders, with hypersensitivity to amide-type local anesthetics, such as lidocaine, or by women who are pregnant or breastfeeding.

POSSIBLE SIDE EFFECTS:
The most commonly observed side effects include swelling, redness, pain, bruising, tenderness, headache, lump formation, and itching at the injection site. Use at the site of skin sores, pimples, rashes, hives, cysts, or infection should be postponed until healing is complete.

These products should not be injected into the blood vessels as it may cause vascular occlusion, infarction, or embolic phenomena. Use with caution in patients recently treated with anticoagulant or platelet inhibitors to avoid bleeding and bruising.

As with all skin injection procedures, there is a risk of infection.

To report a side effect with any of the Restylane products, please call Galderma Laboratories, L.P at 1-855-425-8722.

Restylane Refyne and Restylane Defyne are available only through a licensed practitioner.

Complete Instructions for Use are available at www.RestylaneUSA.com.

The non-invasive Ultherapy® procedure is U.S. FDA-cleared to lift skin on the neck, on the eyebrow and under the chin as well as to improve lines and wrinkles on the décolletage. The most common side effects reported in clinical trials were redness, swelling, pain and transient nerve effects. Reported adverse events from post-marketing surveillance are available in the Instructions for Use (IFU). Please see the IFU for product and safety information, including a full list of these events at Ultherapy.com/IFU.

The LONGEST LASTING FILLER for smile lines and acne scars

A PROVEN SOLUTION
Bellafill® is the only filler on the market that is FDA-approved to treat both acne scars and smile lines.¹

IT’S UNLIKE ANYTHING ELSE
Bellafill® has the most clinical data supporting its safety and efficacy with results that last through five years.²

For patients looking for long-lasting and safe dermal fillers as part of an overall treatment plan, your dermal filler portfolio should include Bellafill®.

Your dermal filler portfolio should include bellafill®

82% of patients want a long term filler?

71% of patients would switch providers to one that offers Bellafill®?

70% of patients would stay with your practice and have other aesthetic procedures

93% “worth it” rating on RealSelf.com³

90% of surveyed physicians agree that Bellafill's 83% satisfaction level after 5 years is “unprecedented”.

90% of surveyed physicians are confident to highly confident in the safety of Bellafill®

IMPORANT SAFETY INFORMATION
Bellafill® is indicated for the correction of nasolabial folds and moderate to severe, atrophic, distensible facial acne scars on the cheek in patients over the age of 21 years. Patients who have had a positive reaction to the Bellafill® Skin Test, have a history of severe allergies, have known bovine collagen allergies, are allergic to lidocaine, have bleeding disorders or are prone to thick scar formation and/or excessive scarring should not receive Bellafill.® The safety of Bellafill® for use during pregnancy, breastfeeding, or in patients under 21 has not been established. You may experience temporary swelling, redness, pain, bruising, lumps/bumps, itching, and discoloration at the treatment site. These side effects are usually transient and typically resolve within 1–7 days. You may experience lumps/bumps/papules that may occur more than one month after injection and that may persist. Less common side effects include rash and itching more than 48 hours after treatment, persistent swelling or redness, lumps/bumps, acne, and increased sensitivity at treatment sites. Infrequently, granulomas may occur and may be treated by your licensed physician provider. Be sure to call your licensed provider immediately if you notice any unusual skin reactions around the treatment area. Based on the 5-year Post Approval Study on nasolabial folds with 1008 patients, long term safety of Bellafill® for up to 5 years has been established.

For more safety information, please consult with your physician and the patient labeling that can be found by visiting our website www.bellafill.com.
