

2019 Annual Meeting Call for Speakers

The College of Optometrists in Vision Development is making an open call for General Education speaker presentations for the 2019 Annual Meeting. The COVD Annual Meeting has a perfect combination of new insights along with updates of basic knowledge in developmental, rehabilitative and behavioral vision care through exceptional education programming fulfilling practice gaps, informative exhibits and enjoyable social and networking events. As a reminder, we will also be putting out a call for My Approach To presentations and Papers and Posters in the future as well. Please direct any questions to Dr. Paul Freeman, Chair of the COVD Education Committee or Katie Kirschner at the COVD International Office.

Deadline for submission: June 15th, 2018

Instructions for responding to this call:

- 1). Complete the contact form on the attached page.
- 2). Include your topic, course description (identifying any practice gaps your presentation acknowledges) and 3-5 learning objectives (different from the course description) along with the proposed length of lecture. We encourage both 1 and 2 hour lectures.
- 3). Attach any additional information as needed in a separate document.
- 4). Submit to the COVD International Office by June 15th, 2018

Email: katie@covd.org

Fax: 330-995-0718

- 5). Each submission will be responded to from the COVD Education Committee within 2 weeks following the deadline.
