

# The Commonwealth of Massachusetts

## A Proclamation

Whereas, Many children across the Commonwealth preparing for the start of another school year will begin their studies with undiagnosed and untreated vision problems; and

Whereas, According to the College of Optometrists in Vision Development, research shows that vision disorders are the number one handicapping condition of children and as many as one in four school age children have vision problems; and

Whereas, All children deserve the opportunity to learn and to achieve their full potential; and

Whereas, It is important to raise public awareness and encourage parents, educators, school nurses and all concerned adults to recognize the critical role good vision plays in the learning process and to work together to help prevent or reduce the impact untreated vision problems can have on our children's ability to read and learn,

Now, Therefore, I, Charles D. Baker, Governor of the Commonwealth of Massachusetts, do hereby proclaim the month of August 2018 to be,

## CHILDREN'S VISION & LEARNING MONTH

*And urge all the citizens of the Commonwealth to take cognizance of this event and participate fittingly in its observance.*

Given at the Executive Chamber in Boston, this first day of August, in the year two thousand and eighteen, and of the Independence of the United States of America, the two hundred and forty-second.

BY HIS EXCELLENCY

  
CHARLES D. BAKER  
GOVERNOR OF THE COMMONWEALTH
