COVID-19 Neuropsychological and Psychological Testing Resources

Dear CPA Members,

This Information Alert is to make sure you are all aware of helpful resources on neuropsychological and psychological testing during the coronavirus outbreak from APA and from the Inter Organizational Practice Committee (IOPC). Key guidance includes:

- **Neuropsychological and psychological testing during COVID-19**
- **Guidance on CPT codes, technical requirements and more for successfully providing neuropsychology services via telehealth**
- **How to do psychological testing via telehealth**
- **Guidance on psychological tele-assessment during the COVID-19 crisis**
- **Evidence Based Neuropsychological Care During the Covid-19 Pandemic**

To get connected with other neuropsychologists in California, please consider joining **CPA's Division VIII (Neuropsychology)**. Thank you to Division VIII’s Chair, Dr. David Lechuga, for contributing to the development of IOPC’s **Recommendations/Guidance For Teleneuropsychology In Response To The Covid-19 Pandemic** and to the Division VIII Board of Directors for their ongoing work on behalf of neuropsychologists in California.

As always, CPA members who have questions can contact me at **ewinkelmann@cpapsych.org**.

Take Care,

Elizabeth
