

Your CPA Membership – Your Way

We're in countdown mode! Beginning October 1st when you renew your CPA membership, you'll be able to select the membership level that fits YOUR needs. Instead of getting "boxed" into a membership based on your career stage, you'll select your membership level based on the tools and resources that are right for you.

We are excited about this change and excited to share the details with you! The link below will take you to an overview flyer and FAQs that explain the different levels of membership and the corresponding benefits.
